Addendum-1

Consolidated Reply to Pre-Bid Queries/clarification related to DAFFPL Tender for Insurance Tender No. DAFFPL/FF/INS/2024-25/01

With Respect to above mentioned tender, we have received various queries from insurance companies through email and at the time of the pre-bid meeting held on 7th June'2024. We provide the clarification in line with queries raised as per below:

1. Kindly Share Expiring policy copy or incumbent insurer.

Reply: Expiring policy copies is being enclosed herewith. Further, National Insurance Company was the incumbent insurer.

2. We would like to conduct a risk inspection of the facilities. Kindly confirm by when can this activity be conducted?

Reply: Inspection opportunity was already given to each insurance company upto pre-bid meeting date.

3. Please share wordings for Crisis response costs?

Reply: Wordings are given below:

Crisis Response Wording for Director's & Officer Liability Policy:

CRISIS RESPONSE COSTS ENDORSEMENT

Subject to the terms and conditions of the policy and any endorsements thereto, Crisis Response coverage provided by this endorsement is as follows:

1. Insuring Agreement:

The Insurer shall pay the Insured for reasonable and necessary **Crisis Consultant** fees and costs incurred as a direct result of a **Crisis** commencing during the policy period (as stated in the Schedule of the Policy) and reported to the Insurer immediately when the Crisis is known.

Crisis Consultant fees and costs are limited to fees or costs incurred within the **Crisis Coverage Period**.

Any **Crisis** arising out of or based upon or attributable to or related to continuous or repeated events shall be deemed to be a single **Crisis**.

(Joint Venture of IOCL, BPCL & DIAL)

Regd. Office: Aviation Fuelling Station, Shahbad Mohammad Pur, Near Dwarka Sector – 8 Metro Station
Indira Gandhi International Airport, New Delhi – 110061, India

2. Sub-limit of Indemnity:

The amount stated in the sub-limit schedule of this endorsement is the maximum amount payable by the Insurer in respect of any on Crisis during policy period subject otherwise to the Co-Insurance as stated in the Schedule

Sub-limit Schedule applicable to this endorsement: As mentioned in schedule in the Aggregate which shall form part of the overall General Aggregate Limit mentioned in the Schedule of the policy.

3. Crisis Containment Additional Provision:

In addition to the terms, conditions and provisions of the policy, endorsements thereto and this endorsement, the following shall apply to this endorsement. If the Insured does not take the measures required in accordance with this Crisis containment additional provision the Insurer can refuse to pay the relevant claims under this endorsement of the Policy.

Changes in risk during the Period of Insurance

If during the Period of Insurance:

- a) the Insured consolidates with, merges into or sells all or substantially all of this assets to any other person, entity or group of persons and / or entities acting in unison; or
- b) any person or entity whether individually or together with any other person or persons, or entity or entities acquires an amount of the outstanding shares representing more than 50% of the voting power for the election of directors of the Insured or acquires the voting rights of such an amount of such shares the cover provided under this endorsement is amended so as to apply only to Crisis arising prior to the effective date of either of the above events. The Insured's shall give the Insurer written notice of either of the above events as soon as practicable but not later than 30 days after such effective date.

4. Crisis Containment Exclusions

In addition to the general exclusions the insurer does not cover under this endorsement:

- (I) **Industrial Changes:** Circumstances including governmental regulations which affect another country or industry in which the Insured conducts its Business activities.
- (II) **Economic / Social Changes:** Changes in population, customer taste, economic conditions, seasonal sales variation or competitive environment.
- (III) **Fraudulent Acts:** Any fraudulent act committed by any Insured.

Indira Gandhi International Airport, New Delhi – 110061, India

(IV) Third Party Claims: Any claim for injury or damage made by a third party arising out of or in connection with any Crisis and all costs and expenses of any related legal proceedings.

(V) Intentional Regulatory Violations: Any intentional violation by any Insured of any governmental regulation:

- a) in connection with the manufacture, sale or distribution of **Your product**; or
- b) in connection with the use of materials or substances in the manufacturing process which a governmental entity has been banned or deemed certain to result in injury or damage if used; or
- c) in connection with any services rendered by the insured.

(VI) Costs of Proceedings: Any costs and expenses of any formal proceedings before any government body as a result of a **Crisis**.

(VII) Wrongful Detention: Any wrongful detention of any Insured in order to obtain the performance by the Insured of express demands and / or payment of ransom money, any actual or alleged violation of the laws of the host country or a failure to maintain and possess duly authorized and issued required documents and visas unless the Insurer determines that such allegations were:

- a. intentionally false, fraudulent and
- b. directed specifically at the Insured with a deliberate desire to inflict injury or to inflict economic harm with the intent for it to become known by the Insured of the public; and
- c. made solely to achieve a political propaganda or coercive effect upon or at the expense of the Insured.

(VIII) Market Events: any circumstances that affect a majority of the securities quoted on a stock exchange in which the Insured lists are common stock.

5. Additional Definitions for this endorsement:

Crisis means any decisive, unstable or crucial time in the Insured's affairs or Business which results from an **Occurrence** which in the Insured's reasonable opinion, if left unmanaged, could give rise to a claim under this Policy; and

a) directly causes disruption to the Insured's normal operations and requires the full time involvement if all of the Insured's directors and is likely to have a significant negative impact on the Insured's revenue or net worth; or

b) has the potential to cause

- 1. decrease of greater than 10% in the value of the Insured's share holding within a 48 hours period; or

DELHI AVIATION FUEL FACILITY PRIVATE LIMITED

(Joint Venture of IOCL, BPCL & DIAL)

Regd. Office: Aviation Fuelling Station, Shahbad Mohammad Pur, Near Dwarka Sector – 8 Metro Station
Indira Gandhi International Airport, New Delhi – 110061, India

2. a 20% negative impact on the Insured's revenue over a twelve months period; or

c) results in materially negative media reporting which has the potential to directly cause disruption to the Insured's normal operations and requires the full time involvement of all of the Insured's directors and is likely to have a significant negative impact on the Insured's revenue or net worth

Crisis Consultant means the independent consultant expressly approved in advance by the Insurer to use in connection with a **Crisis**.

Crisis Coverage Period means the period commencing when the Crisis is first reported to the Insurer and ending 7 days thereafter.

All other terms and conditions of tender documents remain unchanged.

Crisis Response Wordings for Commercial General Liability:

Notwithstanding anything to the contrary, Crisis Response Expenses coverage provided by this endorsement is as follows:

1. We shall pay the Insured for reasonable and necessary Crisis Consultant fees and costs incurred by the insured through the Crisis consultant appointed by the Insured as a direct result of a Crisis commencing during the policy period (as stated in the Schedule of the Policy) and reported to us immediately when the Crisis is known. Any Crisis arising out of or based upon or attributable to or related to continuous or repeated events shall be deemed to be a single Crisis.
2. Sub-limit of Indemnity: The amount stated in the sub-limit schedule of this endorsement is the maximum amount payable by us in respect of any on Crisis during policy period subject otherwise to the Co-Insurance as stated in the Policy Schedule which shall form part of the overall General Aggregate Limit mentioned in the Schedule of the policy.
3. Exclusions In addition to the general exclusions we do not cover under this endorsement:
 - (I) Industrial Changes: Circumstances including governmental regulations which affect another country or industry in which the Insured conducts its Business activities.
 - (II) Economic / Social Changes: Changes in population, customer taste, economic conditions, seasonal sales variation or competitive environment.
 - (III) Fraudulent Acts: Any fraudulent act committed by any Insured.
 - (IV) Intentional Regulatory Violations: Any intentional violation by any Insured of any governmental regulation:
 - a) in connection with the manufacture, sale or distribution of Your product; or
 - b) in connection with the use of materials or substances in the manufacturing process which a governmental entity has been banned or deemed certain to result in injury or damage if used; or
 - c) in connection with any services rendered by the insured.
 - (V) Costs of Proceedings: Any costs and expenses of any formal proceedings before any government body as a result of a Crisis.
 - (VI) Wrongful Detention: Any wrongful detention of any Insured in order to obtain the performance by the Insured of express demands and / or payment of ransom money, any actual or alleged violation of the laws of the host country or a failure to maintain and possess duly authorized and issued required documents and visas unless the Insurer determines that such allegations were: a. intentionally false, fraudulent and b. directed specifically at the Insured with a deliberate desire to inflict injury or to inflict economic harm with the intent for it to become

Alternate Basis clause	<p>Tariff clause: It is agreed and declared that, whenever found necessary, the term 'Output' may be substituted for the term 'Turnover' and for the purpose of this policy 'Output' shall mean the sale value of goods manufactured by the 'Insured' in the course of the business at the premises,</p> <p>Provided that :</p> <p>(a) Only one such meaning shall be operative in connection with any one occurrence involving damage (as within defined).</p> <p>(b) If the meaning set out above be used, memo No.1 shall be altered to read as follows:</p> <p>Memo 1 : If during the INDEMNITY PERIOD goods shall be manufactured other than at the premises for the benefit of the business either by the Insured or by others on the Insured's behalf, the sale value of the goods so manufactured shall be brought into account in arriving at the OUTPUT during the INDEMNITY PERIOD.</p>
Return of Premium Clause/Premium adjustment Clause	<p>Tariff clause: i) The full premium for the selected sum insured based on estimated Gross Profits shall be chargeable under all Consequential Loss (Fire) Policies in advance.ii) Where it is desired to provide for the Return of premium for the actual Gross Profits being lower than the selected sum insured, the following clause should be used:"If the insured declares at the latest twelve months after the expiry of any period of Insurance, that the Gross Profits earned (or a proportionately increased multiple thereof where the maximum Indemnity Period exceeds 12 months) during the accounting period of 12 months most nearly concurrent with any period of insurance, as certified by the Insured's Auditors, was less than the Sum Insured thereon, a pro-rata return of premium not exceeding 50% of the premium paid on such Sum Insured for such period of insurance shall be made in respect of the difference. Where however the declaration is not received by the Company within twelve months after the expiry of the period of insurance no refund shall be admissible.If any damage has occurred giving rise to claim under this Policy, such return shall be made in respect only of said difference as is not due to such damage."iii. Similar Clause in respect of "Wages" cover under Rules 3(a) and (b) of Section II should be used by substituting the words "Actual Wages Paid" for the words "Gross Profit Earned" in the third line of the above Clause.iv. In exceptional circumstances, Head Office of TAC may permit, on specific applications from the Insurers, Return of Premium upto a maximum of 75 percent under the above Clause, on the merits of each case.Note: The above Rules/Clause shall uniformly apply to all factories/industries. N.B. No reduction will be allowed in the Sum Insured during the currency of the Policy except as provided for under this Clause.</p>

7. Applicable excess for BI section of IAR policy should be - 7 days of standard gross profit whereas per tender terms it is mentioned as 3 no of days of the affected Tank /Pipeline. Please check.

Reply: No change in the tender terms.

8. Details of claims if any under MD section of IAR policy for last five years.

Reply: No Claims in the policy under any section in Last 5 years

9. Spillage control measures in place.

Reply: Spillage control mechanisms at an aviation fuel farm are essential to prevent environmental contamination, ensure safety, and maintain regulatory compliance. These mechanisms typically include the following:

Secondary Containment Systems:

- Containment Dyke Wall: Physical barriers around storage tanks to contain spills and prevent fuel from spreading.
- Impervious flooring: To ensure no seepage into soil

Spill Prevention and Response Equipment:

- Spill Kits: Containing absorbent materials, booms, and other tools to quickly address and clean up spills.
- OWS/Skimers: Equipment to remove fuel from water surfaces in case of a spill.
- Sorbents: Materials like pads, rolls, and pillows that absorb fuel spills.

Leak Detection Systems:

- Automatic Tank Gauging (ATG) Systems: Monitor fuel levels in tanks and detect leaks.

Automatic Tank Over Fill Protection System: Closes all valves & stops product filling in case of product filling going beyond fixed levels of tank (H Level, HH level etc).

Fire Suppression Systems:

- Foam-Based Systems: Specialized foams to suppress fuel fires.
- Automatic Sprinkler Systems: Activated in case of fire to contain and extinguish it quickly.

Regular Inspections and Maintenance:

- Routine Inspections: Regular checks of tanks, pipes, valves, and containment systems for signs of wear, damage, or leaks.
- Preventive Maintenance: Scheduled maintenance to ensure all equipment and systems are in good working condition.

(Joint Venture of IOCL, BPCL & DIAL)

Regd. Office: Aviation Fuelling Station, Shahbad Mohammad Pur, Near Dwarka Sector – 8 Metro Station
Indira Gandhi International Airport, New Delhi – 110061, India

Training and Procedures:

- Employee Training: Regular training sessions for staff on spill prevention, response procedures, and use of spill control equipment.
- Emergency Response Plans: Detailed plans outlining steps to be taken in the event of a spill, including notification procedures and cleanup actions.

Regulatory Compliance:

- Environmental Regulations: Adherence to statutory regulations governing fuel storage and spill prevention.
- Safety Standards: Compliance with industry safety standards and best practices to minimize the risk of spills.

Environmental Monitoring and Reporting:

- Regular Environmental Assessments: Monitoring the environmental impact of the fuel farm and identifying areas for improvement.
- Spill Reporting Systems: Procedures for promptly reporting spills to the appropriate authorities.

10. Sum insured towards Terrorism policy for late three years:

Reply: Last three years sum insured is tabulated below:
